Dedicated to Helping the Homebound and Elderly

Doris - Joyce - Lorraine - Dick

**Saying Goodbye
and
Saying Hello**

After 17 years with the Greater Salem Caregivers, our Program Director Doris Neibert has retired. Doris was honored with a reception in June that was attended by many friends, clients and volunteers. Mike and her husband will be using their time to do some over due traveling especially to see her grandchildren in Tennessee. The Caregivers are indebted to Doris for all she has done over the years to be such a help to so many people. We all wish her Happy Retirement!

A fond adieu to Lorraine Fernandez

Lorraine has been a mainstay in the Caregiver office for 20 years. She has been a client, volunteer and a member of our Board of Directors. Lorraine is moving to North Carolina to be with her son. We will miss her generous heart and humor.

A big welcome to Joyce Hatfield. Joyce recently retired from the Salem School District as an Administrative Assistant at the Woodbury School. She is taking Doris's place as Program Director, We are delighted to have Joyce come aboard and wish her our best!

Coming Soon
to
Grand China

For 10 years the Greater Salem Caregivers benefited greatly from the charitable gaming at Rockingham Race Track. It all ended when the track closed last year. Fortunately charitable gaming is returning to Salem. It will be held at the the former Grand China on Veteran's Parkway. The gaming will benefit not only the Caregivers, but dozens of other non profits in the Salem area. We have two nights in the calendar year 2017. They are on Friday night November 3rd and Tuesday Night December 12th. If this is something you you might enjoy or have friends that might enjoy it, please join us.
