Caregivers

Please accept this donation in memory of my grandfather. He had health challenges in his later years and received great assistance from special people in your organization who were a blessing to both him and my adopted grandmother. My grandfather was not one to complain or share his misery, but instead was quick to express his gratitude for the fellowship he received. Now that he is gone, your support has continued with help to my adopted Grandmother who is a widow for the second time and experiencing her own health challenges. The constant in both their lives has been a Caregiver. Money or words cannot equal the gift that this person has brought with his visits. He is a great inspiration to us all and I am indebted to him. Please know that the good the Greater Salem Caregivers do, also touches the hearts of people you may never meet.
