Volunteer of the Year

Jeanne DiRocco

Jeanne joined the Caregivers a few years ago and since she has come on board, she has been a dynamo. She has grown the program in Pelham. Prior to her becoming a volunteer there were a large number of clients but very few volunteers and it had become difficult to recruit new people.

She filled the gap very quickly. She was almost willing to drive every day and go anywhere. She would visit people, pick up prescriptions - do it all!

Jeanne has become the Caregiver Ambassador in Pelham, reaching out to clients with serious cancer issues and "shut ins". She has been doing the intakes for new clients. She has also become the "Face of Caregivers" at the Senior Center in Pelham. Jeanne has been working closely with Sarah Landry, the Director and together they have helped to recruit new volunteers in Pelham,

Jeanne is a daughter of Pelham. She was born at home on a 50 acre farm in Pelham and learned early on the value of hard work and perseverance. She has been married to Antonio for 54 years. They have 4 children, 9 grandchildren and 4 great grandchildren. The Board of Directors congratulated her and extended to her their deepest appreciation.

Volunteer Luncheon

Greater Salem Caregivers

April 25, 2018

The Greater Salem Caregivers held its Annual Volunteer Reception on April 25 the at the Knights of Columbus Hall in Salem.

Dick O'Shaughnessy, the Director thanked the volunteers for their contributions to the communities of Salem and Pelham over the past year. During 2017, they performed 2247 acts of kindness driving 69,000 miles.

The Caregivers drove the elderly and disabled to doctors appointments. These rides may have been local or may have been to Boston, Manchester, Nashua or Exeter. The visits may have been routine or much more serious such as dialysis, chemotherapy or an operation.

They took people shopping, picked up prescriptions or dropped by for a friendly visit. Each of these acts of kindness helped to ease the anxiety and worry not only for the clients but also for their families.

Doug Heyer from the Town of Salem and Sarah Landry from Pelham were on hand to thank the volunteers for all they have done to make the communities of Salem and Pelham nicer places to live.
