Thank
You

I just wanted to thank you for helping my mom with rides to appointments when we were unable to get time off ourselves. We appreciate the help.

Dear Caregivers,

This is a brief note to thank you for sending "Mike" to provide transportation for my appointment at Catholic Medical Center. Mike was very nice, extremely kind and understanding during a very long appointment. Please thank him for me..

Nancy

Dear Greater Salem Caregivers,

I wrote to you awhile ago to thank you for providing rides for my sister. Now I must thank you on behalf of my mother. She has had to give up driving. The appointments and errands don't stop just because you can no longer drive. As I said before, I am 2 hours away so I am not able to help as much as I would like. So I thank you for being there.

The Greater Salem Caregivers held an evening of dinner and comedy on November 6th at Black Water Restaurant in Salem. It was a fun evening for all with good company, great food and topped off with a comedy routine presented by Rhonda Corey from Rhode Island. It was a wholesome fun experience enjoyed by all in the audience.

There were many raffle prizes that were donated by local businesses and individuals which added to the enjoyment of the evening. The Caregivers are especially indebted to the Salem Cooperative Bank for sponsoring the comedian and to Black Water Restaurant for their hospitality and beautiful accommodations.
