## **No Volunteer Christmas Party This Year**

**It was that time of the year, when you would have gotten an invite**

**“Welcome to the Volunteer Party, here at our office site.**

**But 2020 was not as you know, such a good year**

**The Corona Virus has put a damper on our “Good Cheer”**

**So, no party this year, no handshakes, no smooching**

**No happy talk, no jokes, no laughs, no kissing**

**But we do want to appreciate you for being so good**

**We would have done it in person if we could.**

**So you got something that we hoped brought you cheer**

**As we wish you Merry Christmas and a Happy New Year!**

**We say “Thanks” and “God Bless You” with one voice**

**From the Caregiver Board, Dick, Linda and Joyce!**
