

Greater Salem Caregivers

Spring - Summer Newsletter

2021

Volunteer of the Year

Carolyn Birr

The Greater Salem Caregivers have been in existence since 1989. One person has been part of the organization right from the beginning. Her name is Carolyn Birr. She and her husband Jerry came on the Board together, Carolyn serving as Secretary and Jerry until his death a few years ago as Treasurer.

The Caregivers are indebted to Carolyn for her years of service and for her positive demeanor and warm smile that she brings to each meeting. Thank you Carolyn!

Volunteer Appreciation
Spring 2021

Every spring we get together in the
KofC Hall

Good friends having fun, what a ball!

The cranberries and chicken pot pie –

Those delicious mash potatoes - Oh My!!

Unfortunately, this past year was so sad

The Covid 19 was really bad

But now the vaccine shots are rolling out

Soon we will be free to move and go about

But I am sad to say that we won't, I fear

Be able to get together again this year

So, we want you all to know

How much we appreciate and love you so

Thank you for always being there

Bless you for what you have done

For when those in need see you come

It's like a cloud opening up for the sun

Why we Volunteer!

National Volunteer Week

June 1-7, 2021

Volunteer programs in Massachusetts help my mother and mother in law, so this is my way to help in Salem!

I enjoy meeting new people and making new friends. I taught school for 36 years and I like helping others and staying busy!

My mother always reminded us that we should do for others first, and our reward would follow. How True

I drive some amazing clients but the most amazing are those who are dealing with terminal illness. They always surprise me. They are the most positive in their outlook! They make me realize that every moment matters and to pay attention to the moment!

It feels good to help the less fortunate. I was a truck driver most of my life, so I like to drive and stay busy.

It is a pleasure to be a volunteer for the CAREGIVERS!
