Jeanne DiRocco

August 12, 2022

The Castle in Windham

Jeanne DiRocco was recognized by the Chamber of Commerce as their recipient of the Sapphire Award for 2022. Jeanne is a volunteer driver, the coordinator for the Caregivers in Pelham and a member of the Caregivers Board of Directors. She is our "go to person" in Pelham and has been invaluable by reaching out and "going over and above" to help the elderly. Each year the Chamber honors women in the Greater Salem area who give their time and effort to enhance the quality of life in their communities. We are proud of Jeanne and we congratulate and thank her for all she does.
