A Caregiver Greeting

2022 is coming to an end. We thank you for all you have done.

Many in Salem and Pelham owe you so much, for them you are number one

The rides you gave with kindness and care

For so many, you were always there

How much you did, the community knows, your thoughtfulness and charity clearly shows.

We wish you and your families good cheer, Merry Christmas and Happy New Year!

Dear Caregivers,

My daughter and I would like to thank the Caregivers for making it possible for me to see my optometrist on Tuesday. That was "way beyond the call of duty"!

We do not have relatives in this area, so we depend on friends and when all else fails we call Caregivers, May all of you at Caregivers be blessed for your wonderful service. What would we do without you?

Kay

A Big Thanks to the Caregivers!

During the Holiday Season the Caregivers reached out to Community:

The Caregivers collaborated with Michael's Restaurant to home deliver 75 Thanksgiving dinners.

The Caregivers collaborated with the Salem High School Culinary Arts Program to deliver 75 Christmas dinners.

The Caregivers collaborated with the Salem Christmas Fund to brighten the holidays of over 400 individuals, families and adults.
